1:00-2:00: A session on using one's IRA for real estate and mortgage investing. The goal of this session is to initiate transactions. Those attending are encouraged to either have an IRA or be serious about opening an IRA account.

The Group only gets together once a month. Use the POWER of the Group to help YOU solve needs and issues.

Prepare for the meeting. Give yourself the best chance to start transactions. COUNSEL your clients to find out their real needs from a transaction. An all cash deal is great, but are you going to limit yourself to just that? Are your Clients' expectations reasonable? Find out about the existing debt on the property. If your Client will not reveal such info, do you really need them?
