AGREE only meets once a month. Use the experience of others to help you solve problems and make transactions.

Prepare for the meeting. Give yourself the best chance to start transactions. COUNSEL your clients to find out their real needs from a transaction. An all cash deal is great, but are you going to limit yourself to just that? Are your clients' expectations reasonable? Find out about the existing debt on the property. If your client will not reveal such info, do you really need them?
